

## Sustainable Development Goals (SDGs) Policy

Plus One Global Consulting Limited (PLUS ONE) takes actions in its full efforts to contribute to a better future for our community, our society and our World. We are committed to **United Nations Sustainable Development Goals (SDGs)** and its principles part of the strategy, culture and day-to-day operations of our company and different innovative collaborative projects to promote a more sustainable world where everyone has the chance to reach their full potential.

### Key Priorities for PLUS ONE

For the dual perspectives of developing a sustainable society and achieving continuous growth for the company, PLUS ONE promotes SDGs and has identified priority issues that we must tackle as a responsible company.

#### A Workplace That Supports Sustainable Economic Growth

Transform PLUS ONE into a company where our employee feel happy and takes pride in their work

Specific Topics:

- 1. Create job satisfaction in the workplace
- 1. Promote Competency-Based Training (CBT) to enhance workforce ability
- 1. Promote joining volunteer work for self-exploration and workstyle innovation

#### Technology Innovation through Collaboration and Co-creation

Create value for customers and society through innovation and promoting “Leaving No One Behind on Safety and Security”

Specific Topics:

- 1. Promote “Leaving No One Behind on Safety and Security” to all industrial players globally
- 1. Make good use of technology to facilitate and empower more industrial players through our training and consulting services
- 1. Strengthen local and global partnerships

#### Take actions to the Earth's Environment

Create positive contributions to climate change, resources recycling and promote green together

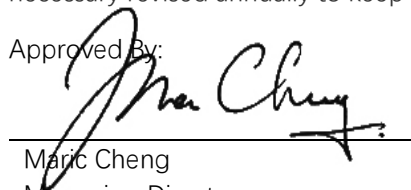

Specific Topics:

- 1. Make good use of technology to reduce CO<sub>2</sub> emissions
- 1. Promote resources recycling in our value chain
- 1. Promote and encourage our customers and stakeholders from different business sectors in going green together

We recognize that the above issues that we consider particularly relevant from the perspectives of SDGs and PLUS ONE business. The list does not imply that other issues lack importance. We will review, and if necessary revised annually to keep up to date.
